

# Electric Vehicle Charging Policy for Churchdale Holidays

## 1. About this policy

- 1.1 This policy sets out how an Electric Vehicle (EV) should be recharged while at the Property and the responsibilities of EV owners in respect of safe charging.
- 1.2 Any reference to "Property" in this policy is a reference to the Property including any garden, grounds, outbuildings, garages or communal spaces.
- 1.3 This policy forms part of our contract with you. A breach of this policy will constitute a breach of the contract between us.

## 2. Who does this policy apply to?

- 2.1 This policy applies to all members of the Booking Party and such other visitors of the lead guest to the Property. It shall be the responsibility of the Lead Guest to inform all members of the Booking Party and any visitors of this policy.

## 3. What is an Electric Vehicle?

- 3.1 For the purpose of this policy an EV is any vehicle that uses electric motors, either fully or partially, to drive its wheels. It will derive some or all its power from rechargeable batteries which requires connection to the electricity grid. This includes fully chargeable and plug-in hybrid cars, motorbikes, buggies, scooters, mopeds, bicycles, utility vehicles and tracked vehicles.

## 4. Domestic chargers are not permitted at the Property

- 4.1 Most EVs are supplied with a domestic charger, commonly known as a 'granny charger' or a 'trickle charger'. These cables recharge the EV using a domestic power source via a 3-pin wall socket.
- 4.2 Domestic chargers are not suitable for use in the Property and will create a fire hazard. **The use of domestic chargers is strictly forbidden.**
- 4.3 We retain the right to carry out reasonable inspection, on a without notice basis, to ensure that granny chargers are not in use in the Property.
- 4.4 You are solely liable for any damage or loss suffered by us as a result of your unauthorised use of domestic chargers.

## 5. Dedicated charging points

- 5.1 The Property has 1 dedicated charge point located in the bicycle shed (**DCP**). It is the user's sole responsibility to supply a suitable charging cable to use the DCP.
- 5.2 DCPs are exclusively for the use of the Booking Party, our staff and approved contractors. Visitors to the Property who do not comprise the Booking Party are not permitted to use the facilities.
- 5.3 DCP's are subject to fair usage and the charge will form part of the booking fee and will be paid together with the final balance for the holiday in advance of arrival. The Lead Guest will be advised of the cost of the DCP when making the booking. On booking we need to know your car model, battery size and registration number.
- 5.4 You must **not**:
  - (a) use a DCP if you are not authorised to do so;
  - (b) use any splitting cables or modify the DCP in any way;
  - (c) smoke in the vicinity of the DCP;
  - (d) use the DCP for any commercial EV such as a taxi, ridesourcing or ridesharing EV (such as Uber, Lyft or similar services); delivery or transport EVs including buses or for any other commercial venture;
  - (e) occupy the DCP once charging of the EV is complete. We reserve the right to charge an extra reasonable fee where you fail to remove your EV from the DCP.
- 5.5 DCP spaces must not be occupied, or access impeded, by non-EV Vehicles or EV vehicles not using the DCP for charging purposes.
- 5.6 We do not guarantee the availability of a DCP and unavailability of the DCP shall not constitute a breach of our Guest Terms. There are 8, BP Pulse Type 2 AC 7KW EV Charging Points at New Street, Bakewell, 2 ½ miles away.
- 5.7 Authorisation for the use of a DCP during your Stay must be made prior to Booking. We reserve the right to withdraw this authority at any time and for any reason.
- 5.8 Use of the DCP is at the owner's own risk and we do not accept any liability for loss or damage sustained by you or your EV as a result of using the DCP unless the damage was caused directly by our negligence.
- 5.9 You shall be responsible to us for any damage to the DCP or loss suffered by us caused by your use of the DCP.
